

22ND - 26TH  
JANUARY

# INTERNATIONAL WEEK

International Open  
Evening Friday 26th  
January  
3pm - 4pm

As many of you will know the pressure for children to perform in Maths and English increases year on year. Whilst achievement in these subjects are important, enriching and inspiring children to achieve in other areas of the curriculum is vital too. Geography and History must be taught in a way where children feel immersed in culture and traditions. As a staff team we really believe this is how we make learning meaningful and memorable. During the week of the 22nd the children will focus on European countries through

Dance, History, Food, Art and of course Geography, Foundation Stage will be exploring France, Years 1 and 2 will travel to Spain, Years 3 and 4 will delve into Denmark and finally years 5 and 6 will visit the Czech Republic (with the expertise of Mrs Barber they will be sure to learn so much!) Each child will bring home a passport on Friday 19th where a photo can be added and the personal details page filled out, ready to return to school on Monday 22nd. During the week children will use their passport to visit the other

countries (classes) to learn about that country and record what they notice. The afternoons will be rich with learning about other cultures and countries. To end the week we would like to open the school doors to you at 3pm to come and walk through the school where you will be able to see the work the children have produced. We hope the family and friends can join us for this International open evening - passports and luggage allowance not necessary!
