Building strong foundations, unlocking potential.

21st February 2018

Dear Parents/Carers,

The school has seen many changes since September, some more visible than others but all with the same intention; to deliver the best educational experience for the children in our care.

As you will remember on Tuesday 30th January, Woodmansey CE Primary School was inspected for two days by OFSTED. Many of you offered your opinions of the school through the site, Parent View and some were asked directly by the inspector herself. The survey produced 100% approval in every aspect. We are so grateful for your affirmation of what Woodmansey CE Primary School is and represents for you.

OFSTED inspections are renowned for being thorough and although the inspection came fairly early on in a time of new leadership, it was a wonderful realisation of what had been achieved in such a short space of time.

The whole staff team came together and the children were their usual fantastic characters and showcased what happy individuals we have in school. The well wishes and thumbs up on the morning of both days from supporters of the school were hugely welcomed, thank you.

Albert Einstein was quoted in saying, 'Life is like riding a bicycle. To keep your balance, you must keep moving.' With that in mind we will now take the recommendations we have been given and move forward, knowing we are heading in the right direction.

With that, we are pleased to enclose the final OFSTED report. Please be as proud of the report as we are. We would like to thank all those involved in the school for the commitment and support in all we have established. It must be acknowledged that the staff have taken on board a tremendous amount of change, but this has been achieved with total commitment, dedication and enthusiasm. Similarly, parents and carers have backed the school and through our combined determination and backing we have achieved what in the Local Authority's view is "the most rapid turnaround of the fortunes of a school they have ever witnessed". The community of Woodmansey has also been served by a Governing Body, which has demonstrated great strength and determination to ensure that Woodmansey CE Primary School be graded a 'good' school with outstanding features. Together we have all enabled our pupils to succeed and shine. Should anyone wish to discuss the report further then please contact the school office.

Thank you again for all your support in securing the future of Woodmansey CE Primary School. We are delighted to confirm that the collaboration with Molescroft Primary School will continue for as long as the governors of Woodmansey CE Primary School wish it so to be.

Best Wishes,

Mr. M.A. Loncaster
Executive Headteacher
